TODAY'S BRIEF

- Greeks protesting austerity measures are clashing with riot police in Athens.
- The U.S. Geological Survey says that a strong earthquake has hit off the Pacific coast of Guatemala, rocking the capital and shaking buildings as far away as Mexico City and El Salvador.
- The election behind them, U.S. investors dumped stocks Wednesday and turned their focus to a world of problems - tax increases and spending cuts that could stall the nation's economic recovery and a deepening recession in Europe.
